TITLE: UNISON SUPPLIER RELEASE SYSTEM (USRS)

SCOPE: This document has been cancelled. The USRS program has been superseded by the DSQR supplier release program, and USRS is no longer managed by the Unison supplier quality organization. Some suppliers may still incorporate elements of the former USRS program into their final inspection process and stamp USRS numbers on their shipping documentation. However, Unison does not manage stamps, audit to USRS requirements, or utilize the program for skip lot designations.
